General Statement

The T. C. Williams Law School Catalogue is limited to the following brief statements:

ENTRANCE REQUIREMENTS

Pursuant to notice, the following entrance requirements have been adopted, and are in operation. In every case the applicant for admission should apply to the President of the College for a blank certificate of admission, and have the question of entrance definitely settled before coming to College.

REGULATIONS CONCERNING ENTRANCE

For admission to T. C. Williams Law School the general conditions are as follows:

1. The student must be at least eighteen years of age; for most students a minimum of nineteen years is advised.
2. The applicant for admission should present a certificate of honorable dismissal from the last school attended, or other sufficient evidence of good character.
3. He must give proof of adequate preparation to profit by the work offered in college classes. This preparation may be established by —
 - (1) A written examination.
 - (2) A certificate from an accredited preparatory school.
 - (3) Faculty permission to register as a special student. Special students must be twenty years of age or older; if they desire to become candidates for the law degree, they must make up the full entrance requirements.

The requirements for admission are stated in units. A unit is the equivalent of five recitation periods a week during a full school year of a preparatory school above the grammar grade.

Since January 1, 1914, fifteen units, of which six are specified and nine optional, are required for admission to full standing as a candidate for the LL. B. degree.

The specified units are as follows :

English, 3.

Mathematics, 2.

History, 1.

For the nine optional units the candidate may offer any of the work listed as acceptable for entrance.

For admission to conditional standing as a candidate for a degree twelve units are required, with the condition that the remaining three are to be made up within one year. This can be done in either of two ways :

1. By passing off the necessary number of units in subjects prescribed for admission, as the result of private study or in class.

2. By doing other work offered in college which shall be counted toward the fulfillment of the entrance requirements. In such cases two hours of college work each week for one college year are counted as an equivalent to one entrance unit.

COURSES OF STUDY IN LAW

From and after September, 1920, there will be three classes in the school. Regular attendance, satisfactory daily recitations and written examinations in all of the subjects of each class are required for graduation. Excepting special students, no degree candidate is permitted to advance from the first to the second, or from the second to the third year class, without having satisfactorily completed the work of the preceding class in this school, or the equivalent thereof at some accredited law school. DEGREES AND DIPLOMAS

The Professional Degree of Bachelor of Laws (LL. B.) is conferred by the Trustees on recommendation from the Faculty. This degree cannot be given either in course or as an honorary degree.

For this degree is required graduation on all subjects included in the Law School, with complete compliance with all entrance requirements, set forth above, pp. 7-8.

Students who complete the required work in any subject may be awarded a certificate of proficiency in this subject, and are not required to study the subject again in order to win the degree of Bachelor of Laws.

All candidates for degrees are expected to present themselves at the closing exercises of the College Commencement, at which time degrees are conferred. It is the custom of the graduating class to wear the Oxford cap and gown on this occasion.

THE LAW LIBRARY

The Law Library is established in the Law Department. This library contains the valuable collections of law books owned by the late Hon. Henry Heaton, of Loudoun County, and donated to the College by his sister, Mrs. Harriet M. Purcell. On this foundation of the most approved works on law, the College is building up yearly accessions of Reports from the General and State Governments, and necessary current magazines.

During the session of 1910-'11 the Law Library purchased a complete set of the National Reporter System. This added nearly 1,000 books to the former collection, and means that from now on the Richmond College law student will have ready access to every reported case in the American Union, decided both in State and Federal Courts.

During the session of 1914-'15, the published volumes of Recent Case Law were added to the Law Library.

In the summer of 1920, other very extensive additions were made to the Law Library.

LAW CLASS ORATOR

The students of the Law School are authorized by the Board of Trustees of the College to select one of their number as "Law Class Orator," to deliver an oration at the Commencement of the College. Their selection is subject to the approval of the President of the College.

LAW PRIZES

The Blackstone Institute, of Chicago, offers to the approved degree candidate in the regular Senior Class who obtains the highest average grade on all regular Senior examinations a set of "Modern American Law," fifteen volumes.

In 1919-1920 this prize was awarded to Mr. G. B. Chumbley, Richmond, Va., and to Mr. J. H. Donohue, Jr., Richmond, Va.

Messrs. Callaghan & Co., of Chicago, offer to the regular Junior student who obtains the highest average grade on all Junior examinations a copy of the "Cyclopedic Law Dictionary."

In 1919-1920 this prize was awarded to Mr. W. R. Shands, Richmond, Va.

Mr. Charles T. Norman, of Richmond, offers to the best all round Law graduate a gold medal.

In 1919-1920 this prize was awarded to Mr. G. B. Chumbley, Richmond, Va.

ATHLETIC ASSOCIATION

Outdoor sports are fostered and encouraged at Richmond College. Details of management are entrusted to the Athletic Association, composed of students and professors, but the President and Faculty exercise general control. The annual Field-Day contests are admirable incentives to physical culture. And in season the College is represented in contests with other colleges by teams in football, baseball, track-meets and the like.

ROOMS.—If Law students desire to reside on the College grounds at Westhampton, they may engage rooms on equal terms with Academic students; as many as twenty-one Law students can obtain rooms in a College dormitory adjoining the Law School Building on the Old College grounds in Richmond, and at a charge which will cover only the costs of operation. Applications for rooms should be made to President F. W. Boatwright, Richmond College, Va.

BOARD.—The College refectory is operated on the cafeteria plan. It is not intended or desired to make any profit on the boarding students, but to furnish satisfactory board at the prime cost. It is hoped that prices will be such that students can live comfortably for \$6.00 a week. Those who prefer to pay more will easily be accommodated under the cafeteria system. Each student will pay only for what he actually receives and will not have to pay for any meal that he misses. Prices will be adjusted from time to time to meet the changes in the cost of commodities. City residents or those living on the Old College grounds will find board in Richmond.

The Matriculation, Contingent and one-half of Tuition Fees are payable at date of entrance. The second half of the Tuition Fee is payable February 1st.

DIPLOMA FEES

For every Certificate of Proficiency awarded the charge is \$1.00. For a Degree Diploma, \$5.00.

Students must deposit the necessary fees with the Treasurer one week before Commencement. Students who take degrees are required to pay for their Degree Diplomas. No honors are announced at Commencement until all fees are settled.
