General Statement

The T. C. Williams Law School Catalogue is limited to the following brief statements:

ENTRANCE REQUIREMENTS

Pursuant to notice, the following entrance requirements have been adopted, and are in operation. In every case the applicant for admission should apply to the Secretary of the Law School for a blank certificate of admission, and have the question of entrance definitely settled before coming to the Law School.

REGULATIONS CONCERNING ENTRANCE

For admission to T. C. Williams Law School the general conditions are as follows:

1. The student must be at least eighteen years of age; for most students a minimum of nineteen years is advised.

2. The applicant for admission should present a certificate of honorable dismissal from the last school attended, or other sufficient evidence of good character.

3. He must give proof of adequate preparation to profit by the work offered in college classes. This preparation may be established by —

   (1) A written examination.

   (2) A certificate from an accredited preparatory school.

   (3) Faculty permission to register as a special student. Special students must be twenty years of age or older; if they desire to become candidates for the law degree, they must make up the full entrance requirements.
The requirements for admission are stated in units. A unit is the equivalent of five recitation periods a week during a full school year of a preparatory school above the grammar grade.

Since January 1, 1914, fifteen units, of which six are specified and nine optional, are required for admission to full standing as a candidate for the LL. B. degree.

The specified units are as follows:

- English, 3.
- Mathematics, 2.
- History, 1.

For the nine optional units the candidate may offer any of the work listed as acceptable for entrance.

For admission to conditional standing as a candidate for a degree twelve units are required, with the condition that the remaining three are to be made up within one year. This can be done in either of two ways:

1. By passing off the necessary number of units in subjects prescribed for admission, as the result of private study or in class.

2. By doing other work offered in college which shall be counted toward the fulfillment of the entrance requirements. In such cases two hours of college work each week for one college year are counted as an equivalent to one entrance unit.

**COURSES OF STUDY IN LAW**

Since September, 1920, there have been three classes in the school. Regular attendance, satisfactory daily recitations and written examinations in all of the subjects of each class are required for graduation. Excepting special students, no degree candidate is permitted to advance from the first to the second, or from the second to the third year class, without having satisfactorily completed the work of the preceding class in this school, or the equivalent thereof at some accredited law school. Only special students who are not candidates for the law degree, may take courses in more than one class.
The law courses, divided according to classes, are:

DEGREES AND DIPLOMAS

The Professional Degree of Bachelor of Laws (LL. B.) is conferred by the Trustees on recommendation from the Faculty. This degree cannot be given either in course or as an honorary degree.

For this degree is required graduation on all subjects included in the Law School, with complete compliance with all entrance requirements, set forth above, pp. 7-8.

Students who complete the required work in any subject may be awarded a certificate of proficiency in this subject, and are not required to study the subject again in order to win the degree of Bachelor of Laws.

All candidates for degrees are expected to present themselves at the closing exercises of the University Commencement, at which time degrees are conferred. It is the custom of the graduating class to wear Oxford cap and gown on this occasion.

THE LAW LIBRARY

The Law Library is established in the Law Department. This library contains the valuable collections of law books owned by the late Hon. Henry Heaton, of Loudoun County, and donated to the University by his sister, Mrs. Harriet M. Purcell. On this foundation of the most approved works on law, the University is building up yearly accessions of Reports from the General and State Governments, and necessary current magazines.

During the session of 1910-'11 the Law Library purchased a complete set of the National Reporter System. This added nearly 1,000 books to the former collection, and means that from now on the law student will have ready access to every reported case in the American Union, decided both in State and Federal Courts.

During the session of 1914-'15, the published volumes of Recent Case Law were added to the Law Library.

In the summer of 1920, other very extensive additions were made to the Law Library.
LAW PRIZES

The Blackstone Institute, of Chicago, offers to the approved degree candidate in the regular Third Year Class who obtains the highest average grade on all regular third year examinations, a set of "Modern American Law," fifteen volumes.

In 1920-1921 this prize was awarded to Mr. W. R. Shands, Courtland, Va.

Messrs. Callaghan & Co., of Chicago, offer to the regular First Year student who obtains the highest average grade on all regular First Year examinations, a copy of the "Cyclopedic Law Dictionary."

In 1920-1921 this prize was awarded to Mr. E. B. Rush, Putnam, Va.

The Bobbs-Merrill Co., of Indianapolis, offer to the regular First Year student who makes the greatest improvement during the session, a copy "Elliott's Work on the Advocate."

In 1920-1921, this prize was awarded to Mrs. Jane B. Ranson, Arrington, Va.

Mr. Charles T. Norman, of Richmond, offers the "O. H. Berry & Co." Prizes, consisting of three gold medals, one to the best all round law graduate, the other to the best all round student in the First Year and in the Second Year classes.

In 1920-1921 the graduate medal was awarded to Mr. W. R. Broaddus, Jr., West Point, Va.

In 1920-1921 the First Year medal was awarded to Mr. Wm. L. Robinson, Richmond, Va.

ATHLETIC ASSOCIATION

Outdoor sports are fostered and encouraged at the University of Richmond. Details of management are entrusted to the Athletic Association, composed of students and professors, but the President and Faculty exercise general control. And in season the University is represented in contests
with other colleges by teams in football, baseball, track-meets and the like.
