## **General Statement**

---

The Law School was first established in 1870. After a somewhat uncertain existence, due to lack of money, the school received in 1890 from the family of Mr. T. C. Williams of Richmond an endowment of \$25,000. In recognition of this gift, the name of the School was changed to the T. C. Williams School of Law. Since 1890 there has been no interruption of work. At various times the School has received further generous gifts from Miss Mary T. Williams and from Mr. T. C. Williams, Jr., both of whom were among the donors of the original endowment.

For most of its history the T. C. Williams School of Law has been taught in evening hours. But the growth of the School and the development of legal education have made necessary certain important advances which are explained below.

### **COURSES OF STUDY**

Beginning in September, 1922 there will be a Morning and an Evening Division of the School. The Morning School has three, and the Evening School has four years of work leading to the law degree. Regular attendance, satisfactory class-room recitations, and approved written examinations in all of the subjects of each class are required for graduation in either Division. No degree candidate is permitted to advance from one class to another, without having successfully completed the work of the preceding class either in this school, or the equivalent thereof at some other accredited law school. Special students are subject to other regulations.

### **ENTRANCE REQUIREMENTS**

The following entrance requirements are in operation for the session beginning September 14, 1922. Beginning in 1923-1924 one year of college work will be required of all candidates

for a degree, and in 1924-1925 two years of college work will be required. Special students will be admitted as indicated below. In every case the applicant for admission should apply to the Secretary of the Law School for a blank certificate of admission, and have the question of entrance definitely settled before coming to the Law School.

The present requirements for admission are stated in units. A unit is the equivalent of five recitation periods a week during a full school year of a preparatory school above the grammar grade.

Since January 1, 1914, fifteen units, of which six are specified and nine optional, are required for admission to full standing as a candidate for the LL. B. degree.

The specified units are as follows:

English, 3.

Mathematics, 2.

History, 1.

For the nine optional units the candidate may offer any of the work listed as acceptable for entrance.

## **DEGREES AND DIPLOMAS**

The Professional Degree of Bachelor of Laws (LL. B.) is conferred by the Trustees on recommendation from the Faculty. This degree cannot be given either in course or as an honorary degree.

For this degree is required graduation on all subjects included in either Division of the Law School, with complete compliance with all entrance requirements, set forth above, pp. 5-6.

Students who complete the required work in any subject may be awarded a certificate of proficiency in this subject and are not required to study the subject again in order to win the degree of Bachelor of Laws.

All candidates for degrees are expected to present themselves at the closing exercises of the University Commencement, at which time degrees are conferred. It is the custom of the graduating class to wear Oxford cap and gown on this occasion.

### THE LAW LIBRARY

The Law Library is established in the Law Department. This library contains the valuable collections of law books owned by the late Hon. Henry Heaton, of Loudoun County, and donated to the University by his sister, Mrs. Harriet M. Purcell. On this foundation of the most approved works on law, the University is building up yearly accessions of Reports from the General and State Courts, and necessary current magazines.

During the session of 1910-'11 the Law Library purchased a complete set of the National Reporter System. This added nearly 1,000 books to the former collection, and means that the law student has ready access to every reported case in the American Union, decided both in State and Federal Courts.

Other very extensive additions are being made to the Law Library.

### LAW PRIZES IN EVENING SCHOOL
