FOREWORD

With the articles appearing in this the fifth issue of the *Law Notes*, the Faculty have presented twenty-three brief discussions. We have been amply rewarded by the kind reception accorded our efforts. This year, for the first time, the *Law Notes* has been opened to contributions from students, and in this Number appears the first article by a student. It is hoped that the readers will continue to find all the articles of practical value to the practicing lawyers.

Our readers' comments and suggestions are always welcome.

WILLIAM T. MUSE, *Dean*
