General Statement

A Law School was first established in Richmond College in 1870. In 1890 the family of the late Mr. T. C. Williams, who had been a devoted and useful trustee, donated $25,000 as the nucleus of an endowment for the Law School. In recognition of this gift, the name of the School was changed to THE T. C. WILLIAMS SCHOOL OF LAW. At various times the School has received further generous gifts from members of the family of Mr. Williams. The largest of these gifts came through a bequest from Mr. T. C. Williams, Jr., who like his father, was long a trustee of Richmond College, and for twenty years was the efficient chairman of the Executive Committee of the Board. As a result of these several benefactions the endowment of the School of Law now amounts to $281,700.00. The Law building and lot are valued at $125,000 and the equipment at $50,000.

The T. C. Williams School of Law is an integral part of the University of Richmond. The degrees in law are conferred by the corporation of the University of Richmond.

AN ACCREDITED SCHOOL

The School is fully accredited by the recognized standardizing agencies in America. It is a member of the Association of American Law Schools; is on the approved list of the American Bar Association; and its Bachelor of Laws degree is fully accredited by the Regents of the University of the State of New York.

The University of Richmond, of which the Law School is a component part, is on the accredited list of the Association of American Universities.

LOCATION

The Law School occupies Columbia Building, the early home of Richmond College, at Lombardy and Grace Streets in Richmond. Extensive additions, which conform to the colonial architecture of the original building enable the Law School to accommodate in its classes about 250 students.

Richmond is the seat of Virginia’s government. The State Legislature and the City Council hold frequent sessions. All types of City and State courts, including the Supreme Court of Appeals of Virginia, sit here, some of them continuously.
The Federal District Court and United States Court of Appeals for the Fourth Circuit hold regular terms in Richmond. The State Corporation Commission and the Industrial Commission hold their hearings here. These opportunities, in addition to library, classroom and home work, afford unsurpassed practical ways of law study to the industrious student by his observation of law in the making and operation as he notes the various legislative, judicial and administrative departments of the State at work.

METHOD OF INSTRUCTION

The aim of the School is thoroughly to equip its graduates with legally trained minds. Several factors are happily combined to accomplish this result. The case method of instruction is used in practically all courses. The student, particularly the beginner, is trained in the art of analysis and solution of legal problems by the application of logical reasoning. Attention is given to the principles of the Common Law; State and Federal decisions and statutes; and particularly to such rules of law as are peculiar to Virginia. Substantive courses, dealing with the content of the law, are offered by full-time instructors. Adjective courses, dealing with the principles governing actual practice before judicial tribunals, are offered by associate instructors, all practicing attorneys and leading members of the city and State bars. The student is trained in the historical principles of law, but his attention is also directed to the most recent developments. By a combination of the above factors, a competent faculty offers a curriculum, well balanced in theoretical and practical courses, carefully selected to equip the graduate for the intelligent practice of law.

REQUIREMENTS FOR ADMISSION

Candidates for the LL.B. Degree: All applicants for admission must be at least eighteen years of age, and must present a certificate of graduation from a college or university of approved standing, or a transcript from the registrar of such institution showing fifteen college entrance units and the successful completion of at least two years of acceptable college work leading to a bachelor's degree in a standard college.

Two years of acceptable college work means at least one-half of the work acceptable for a bachelor's degree granted on the basis of a four-year period of study in an approved college or university, with a scholastic average, based on all work undertaken, at least equal to the quality of work required for graduation in the institution attended. Non-theory courses in military science, hygiene, domestic arts, physical education, vocal or instrumental music or other courses without
intellectual content of substantial value are not acceptable, except "required" non-theory work is acceptable not in excess of ten percent of the total credit presented for admission.

Prospective students, especially those living outside of Richmond, are advised to determine the question of their qualifications for admission by correspondence with the Dean. Applicants are urged to submit a transcript as soon as possible after the close of college in June for evaluation, so that summer work may be pursued if necessary to meet the entrance requirements.

Special Students: Such students must at the time of their admission be twenty-three years of age, or older, and are admitted only in exceptional cases where the faculty has good reason for believing that their experience and training have specially equipped them to engage successfully in the study of law, despite their lack of the college credits required of candidates for the degree. Each applicant must submit in writing a statement setting forth his age, academic and business training, accompanied by letters of recommendation from two or more persons who have peculiar opportunities to form an opinion of his ability, character and seriousness of purpose.

Special students, as such, are not eligible for the degree, and no law credit gained by such students may at any time thereafter be credited toward the degree. A certificate of proficiency will be awarded to special students who complete the law course prescribed for regular students.

PRE-LEGAL EDUCATION

Although the completion of only two years of college work is required for entrance, prospective students are urged to pursue at least three years in college, and if possible obtain the bachelor's degree before entering upon law study. The courses ordinarily pursued in the Junior and Senior years of college are of especial value in preparation for law study and the practice that is to follow.

While no particular subjects are pre-requisite, the following are recommended as desirable pre-law courses: English, History, analytical courses in Science, Mathematics, Economics, Political Science, Corporate Finance, Accounting, Philosophy, Sociology, Psychology, Logic, and Public Speaking.

COMBINED ACADEMIC AND LAW DEGREE

Students in Richmond College, the college of arts and sciences of the University of Richmond, may so combine their work in that school with the work in the Law School as to receive in six years the two degrees of Bachelor of Arts or Bachelor of Science and Bachelor of Laws.
Students who wish to make this arrangement must matriculate in the Law School at the beginning of their fourth or senior year and must complete the required subjects of the first year law course. Students who complete successfully their first year of assigned work in the Law School will receive the degree of Bachelor of Arts or Bachelor of Science, and will then receive the degree of Bachelor of Laws upon the completion of two additional years. Students desiring to make this arrangement should confer with the Dean of Richmond College and the Dean of the Law School before matriculation.

ADVANCED STANDING

An applicant for advanced standing must comply with the requirements for admission governing candidates for the LL.B. degree.

No credit will be given for work completed in another law school unless at the time such credit is presented, it is acceptable to the school wherein it was earned and such school is either a member of the Association of American Law Schools or on the Approved List of the American Bar Association.

Credit granted is always conditioned upon the successful completion of not less than twenty-eight semester hours at this school.

REQUIREMENTS FOR GRADUATION

Academic Requirements: The law degree is conferred only upon "Candidates for the LL.B. degree."

Subject Requirements: The successful completion of eighty-four (84) semester hours of law work is required for the Bachelor of Laws degree. The following courses are prescribed: Contracts, Torts, Personal Property, Real Property, Criminal Law, Judicial Remedies, Legal Profession, Wills and Administration, Agency and Partnership, Equity, Practice, Evidence, Private Corporations, and Constitutional Law; total, fifty-two (52) semester hours, plus thirty-two (32) semester hours of electives.

Scholastic Requirements: The passing grade is sixty (60). Not over sixteen (16) semester hours of credit obtained on grades below sixty-two (62) may be counted toward graduation.

Time Requirements: Applicants listed as full-time students must have been in residence at this or at this and another law school for a period of three academic years.

Applicants listed as part-time students must have been in such residence for a longer period. Students gainfully employed for a substantial part of their time will be classified as part-time students.
Attendance during a full session of the summer school shall be deemed one semester of residence, provided the student registers for, and is examined in not less than 10 semester hours of work.

Fees: The degree will not be conferred unless the applicant has paid all fees due the University.

Filing of Application: Applications for the degree shall be filed by March 1. Such application shall be accompanied by the Diploma Fee.

GRADING SYSTEM

The passing grade is 60.
“A” is 80-100; “B” is 70-79; “C” is 62-69; “D” is 60-61; “E” is 50-59; “F” is below 50.

The passing grade of 60 has been selected in order to allow a range of grades wide enough to reflect the wide differences of ability between those students who are merely competent and those who are good or excellent. Grades are given on the theory that a grade of 100 would indicate a perfect understanding of the subject in question. Grades above 85 are unusual and indicate distinguished excellence.

Reports of grades made on examinations are published to students after the close of the session.

RULES OF ATTENDANCE AND SCHOLARSHIP

1. No student will be permitted to attend classes until he receives a regular class card or a written permit signed by the Dean or the Treasurer. Such card cannot be obtained until the student’s admission has been approved by the Dean, and provision for payment of fees approved by the Treasurer.

2. Attendance upon all class exercises is required. Excuses for absences are not accepted. A student whose record shows absences exceeding twenty-two hours in a six semester-hour course, fifteen in a four semester-hour course, eleven in a three semester-hour course, or seven in a two semester-hour course, will not be entitled to take the examination given in such course.

3. A first year student may not register for more than the required work, which is fourteen (14) semester hours in each semester.

4. No student in the second or third year may register for more than 18 semester hours in any semester without special permission of the Dean.

5. A student may not pursue work for more than eight (8) semesters, including residence at other law schools, unless permitted to do so by special action of the faculty.

6. A student who fails to pass 61% of the work in which he is registered for examination shall be automatically suspended, and will not be readmitted except by special action of the faculty.
7. Any student who, in the opinion of the faculty, fails to show promise of advancement in the study of the law will be advised to withdraw.

8. A student who finds that he will be unavoidably prevented from taking an examination at the time scheduled, may, if he communicates such fact to the Dean on or before the morning of such examination, receive permission to take an examination at a later date, otherwise the instructor will not be required to grade or justified in grading a paper if submitted.

9. Failure to take an examination given in a course for which the student has registered, unless excused by the Dean, will be recorded as "Incomplete" and treated as a "Failure." No student will be permitted to resign from a course without the consent of the Dean, and then only for an adequate reason.

10. A student receiving a grade of "F" (i.e. below 50) in any course will be required to repeat class attendance in such course as a prerequisite to taking another examination therein.

11. A student receiving a grade of "E" (i.e. 50 to 59) may within the following year take the regular examination in that course without repeating class attendance. The grade received on the re-examination will be substituted for the former grade whether it be higher or lower. Only one such re-examination may be taken without repeating class attendance.

12. A student receiving a grade of D (i.e. 60 or 61) in any course may take the next regular examination in such course for the purpose of raising such grade without repeating class attendance therein. If the grade on such re-examination be 62 or higher, a grade of exactly 62 shall be substituted for the original grade; if the grade be lower than 62, the original grade shall remain unaltered. Only one such re-examination may be taken in any course without repeating class attendance therein.

13. In exceptional cases students may be permitted by the Dean to take an examination *in absentia* under such conditions as he may deem proper.

14. Unless announced otherwise by the instructor, the period for an examination will be six hours in six semester-hour courses, four hours in four semester-hour courses, three and one-half hours in three semester-hour courses, and three hours in two semester-hour courses.

15. All work will be done under the Honor System which is administered, under a Code of Ethics, by the Student Bar. All students, upon matriculation, become members of the Student Bar.
PRIZES

In 1949 the Charles T. Norman prize, a gold medal, for the best all-around law graduate, was awarded to Julian E. Savage, Richmond, Virginia.

The West Publishing Company prize, "Manual of Federal Procedure," for the first-year student who attains the highest average on all regular examinations in that class, was awarded to Frank E. Butler, Richmond, Virginia.

McNEILL LAW SOCIETY

The McNeill Law Society is named in memory of Walter Scott McNeill, beloved instructor in the school from 1905-1930. Monthly meetings are held at which time moot cases are argued, legal essays delivered, and recent decisions reported. Membership is limited to students who have attained a high scholastic average.

PRACTICE COURT

In order that the student may have some experience in the trial of cases before graduation, a course designated Practice Court, limited to Seniors, and carrying two semester hours of credit is offered.

Each student is required to argue one nisi prius case, preparing all the pleadings and taking all the steps necessary to the ultimate disposition of the case. Other students in the school act as witnesses and jurors, and prominent lawyers and members of the judiciary in Virginia act as judges.

LIBRARY

The law library contains some 18,000 volumes covering over 22,000 reports and embracing the decisions of the Supreme Court of the United States; the decisions of the lower Federal Courts; the United States Code Annotated and other Federal codes and compiled statutes; the reports of all the state courts of last resort prior to the National Reporter System; the complete Reporter System; the American Digest System; the select case series of annotated reports including American Decisions, American Reports, American State Reports, Lawyers Reports Annotated and American Law Reports; a collection of all standard encyclopedias; the leading legal periodicals, law reviews, reference books and treatises; the codes and Acts of the Virginia House of
Burgesses and General Assembly from early times to date; the codes of neighboring states. In addition, the library contains the full English Reprint; the English Law Reports; Halsbury’s Laws of England; English and Empire Digest.
