GENERAL STATEMENT

The Law School was established as a part of Richmond College in 1870. In 1890 the family of the late Mr. T. C. Williams, who had been a devoted and useful trustee, donated \$25,000 as the nucleus of an endowment for the Law School. In recognition of this gift, the name of the School was changed to THE T. C. WILLIAMS SCHOOL OF LAW. At various times the School has received further generous gifts from members of the family of Mr. Williams. A substantial gift came through a bequest from Mr. T. C. Williams, Jr. who, like his father, was long a trustee of Richmond College, and for twenty years was the efficient chairman of the Executive Committee of the Board. The largest of these gifts was recently received by bequest from Mr. A. D. Williams, another son of Mr. T. C. Williams.

The T. C. Williams School of Law is an integral part of the University of Richmond. The degrees in law are conferred by the corporation of the University of Richmond.

AN ACCREDITED SCHOOL

The School is fully accredited by the recognized standardizing agencies in America. It is a member of the Association of American Law Schools; is on the approved lists of the American Bar Association and the Virginia State Board of Bar Examiners; and its Bachelor of Laws degree is fully accredited by the Regents of the University of the State of New York.

The University of Richmond, of which the Law School is a component part, is fully accredited by all appropriate agencies.

LOCATION

Since September 1, 1954, the School has occupied its new law building located on the University's main campus in suburban Richmond. The new building, costing approximately \$500,000, provides modern classrooms, seminar rooms, faculty studies, conference rooms, a student lounge, a library reading room seating 100, and a large courtroom and assembly room.

Richmond is the seat of Virginia's government. The State Legislature and the City Council hold frequent sessions. All types of City and State courts, including the Supreme Court of Appeals of Virginia, sit here, some of them continuously. The Federal District Court for the Eastern District of Virginia and the United States Court of Appeals for the Fourth Circuit hold regular terms in Richmond. The State Corporation Commission and the Industrial Commission hold their sessions here.

Thus the student finds, in addition to library, classroom and home work, unsurpassed opportunities for law study by his observation of law in the making and operation as he notes the various legislative, judicial, and administrative departments of government at work.

METHOD OF INSTRUCTION

The aim of the School is to equip its graduates with legally trained minds. Several factors are happily combined to accomplish this result. The case method of instruction is used in most courses. The student, especially the beginner, is trained in the analysis and solution of legal problems by the application of logical reasoning. Attention is given to the principles of the Common Law, State and Federal decisions and statutes, and, in addition to such rules of law as are peculiar to Virginia. Substantive courses, dealing with the content of the law, are offered by full-time instructors. Adjective courses, dealing with the principles governing actual practice before judicial and administrative tribunals, are offered by associate instructors, all practicing attorneys and leading members of the city and State bars. The student is trained in the historical principles of law, but his attention is also directed to the most recent developments. By a combination of the above factors, a competent faculty offers a curriculum, well-balanced in theoretical and practical courses, carefully selected to equip the graduate for the successful practice of law.

PRACTICE COURT

In order that the student may have some experience in the trial of cases before graduation, a course designated Practice Court, limited to third-year students and carrying two semester hours of credit, is offered.

In addition to regular class work, each student is required to argue one nisi prius case, preparing all the pleadings and taking all the steps necessary to the ultimate disposition of the case. Other students act as witnesses and jurors, and prominent lawyers and members of the judiciary act as judges.

LIBRARY

The law library contains 26,000 volumes embracing the decisions of the Supreme Court of the United States; the decisions of the lower Federal Courts; the United States Code Annotated and other Federal codes and compiled statutes; the reports of all the state courts of last resort prior to the National Reporter System; the complete Reporter System; the American Digest System; the select case series of annotated reports including American Decisions, American Reports, American State Reports, Lawyers Reports Annotated and American Law Reports; a collection of all standard encyclopedias; the leading legal periodicals, law reviews, reference books and treatises; the codes

and Acts of the Virginia House of Burgesses and General Assembly from early times to date; the codes of many states. In addition, the library contains the full English Reprint; the English Law Reports; and the English and Empire Digest.

REQUIREMENTS FOR ADMISSION CANDIDATES FOR THE LL.B. DEGREE

An applicant for admission as a candidate for the Bachelor of Laws degree must be at least eighteen years of age, and must present a transcript from the registrar of a college or university of approved standing showing graduation therefrom or showing fifteen college entrance units and the successful completion of at least three years of acceptable college work leading to a bachelor's degree in a standard college.

Three years of acceptable college work means at least three-fourths of the work acceptable for a bachelor's degree granted on the basis of a four-year period of study in residence in an approved college or university, with a scholastic average, based on all work undertaken, at least equal to the quality of work required for graduation in the institution attended. Non-theory courses in military science, hygiene, domestic arts, physical education, vocal or instrumental music or other courses without intellectual content of substantial value are not acceptable, except that "required" non-theory work is acceptable if not in excess of ten percent of the total credit presented for admission.

The right is reserved to make a choice among applicants for admission, in accordance with the school's evaluation of the individual's promise of success in the study of law at this school and its evaluation

of his fitness to become a member of the legal profession.

SPECIAL STUDENTS

Such students must at the time of their admission be twenty-three years of age, or older, and are admitted only in exceptional cases where the faculty is convinced that their experience and training have equipped them to engage successfully in the study of law, despite the lack of the college credits required of candidates for the degree. Each applicant must submit in writing a statement setting forth his age and his academic and business training, accompanied by letters of recommendation from two or more persons who have had peculiar opportunities to form an opinion of his ability, character and seriousness of purpose. He will also be required to take the Law School Admission Test given by the Educational Testing Service of Princeton, New Jersey.

Special students are not eligible for the degree, and no law credit gained by such students may at any time thereafter be credited toward the degree. A Certificate in Law will be awarded to special students who meet all requirements for the LL.B. degree except in respect to admission.

PRE-LEGAL EDUCATION

Although the completion of only three years of college work is required for admission, prospective students are urged to obtain the college bachelor's degree before entering law school. The course ordinarily pursued in the Senior year of college is of special value in preparation for law study and the practice that is to follow.

While no particular subjects are prerequisite, the following are recommended as desirable pre-law courses: English, History, analytical courses in Science, Mathematics, Economics, Political Science, Corporate Finance, Accounting, Philosophy, Sociology, Psychology,

Logic, and Public Speaking.

COMBINED ACADEMIC AND LAW DEGREES

Students in Richmond College, the college of arts and sciences of the University of Richmond, may so combine their work in that school with the work in the Law School as to receive in six years the two degrees of Bachelor of Arts and Bachelor of Laws. Students who wish to make this arrangement must matriculate in the Law School at the beginning of their fourth or senior year and must complete the required subjects of the first year law course. Students who complete successfully their first year of assigned work in the Law School in the upper two-thirds of the class will receive the degree of Bachelor of Arts, and will then receive the degree of Bachelor of Laws upon the completion of the remainder of the three-year law course. Students desiring to make this arrangement should confer with the Dean of Richmond College and the Dean of the Law School before matriculation.

ADVANCED STANDING

An applicant for advanced standing must comply with the requirements for admission governing candidates for the LL.B. degree.

No credit will be given for work completed in another law school unless at the time such credit is presented, it is acceptable to the school where it was earned and such school is either a member of the Association of American Law Schools or on the Approved List of the American Bar Association.

Credit granted is conditioned upon the successful completion of not less than twenty-eight semester hours at this school.

REOUIREMENTS FOR GRADUATION

Academic Requirements: The law degree is conferred only upon "Candidates for the LL.B. degree."

Subject Requirements: The successful completion of eighty-four (84) semester hours of law work is required for the Bachelor of Laws degree. The following courses are prescribed: Legal Method, Contracts, Torts, Personal Property, Real Property, Criminal Law, Legal Bibliography, Judicial Remedies, Legal Profession, Wills and Administration, Agency and Partnership, Practice, Evidence, Private Corporations, and Constitutional Law; total, fifty-three (53) semester hours. Thirty-one (31) semester hours of electives must be taken.

Scholastic Requirements: The passing grade is sixty (60). Not over sixteen (16) semester hours of credit obtained on grades below sixty-two (62) may be counted toward graduation.

Time Requirements: Applicants for the degree who are listed as full-time students must have been in residence at this or at this and another law school for a period of three academic years.

Applicants listed as part-time students must have been in such residence for a longer period. Students gainfully employed for a substantial part of their time will be classified as part-time students.

Attendance during a full session of the summer school will be deemed one semester of residence, provided the student registers for, and is examined in not less than 10 semester hours of work.

Fees: The degree will not be conferred until the applicant has paid all fees due the University.

Filing of Application: Applications for the degree shall be filed by March 1. The application shall be accompanied by the Diploma Fee.

GRADING SYSTEM

The passing grade is 60.

"A" is 80-100; "B" is 70-79; "C" is 62-69; "D" is 60-61; "E" is 50-59; "F" is below 50.

The passing grade of 60 has been selected in order to allow a range of grades wide enough to reflect the wide differences of ability between those students who are merely competent and those who are good or excellent. Grades are given on the theory that a grade of 100 would indicate a perfect understanding of the subject in question. Grades above 85 are unusual and indicate distinguished excellence.

Reports of grades made on examinations are published to students after the close of the semester.

RULES OF ATTENDANCE AND SCHOLARSHIP

A student will not be permitted to attend any class until his name has been entered on the official roll of that class by the Dean, and provision for payment of fees has been approved by the Treasurer.

A first year student may not register for more than the required work, which is fourteen (14) semester hours in each semester.

No student in the second or third year may register for more than 18 semester hours in any semester without special permission of the Dean.

A student may not pursue work for more than eight (8) semesters, including residence at other law schools, unless permitted to do so by special action of the faculty.

A student who fails to pass 61% of the work in which he is registered for examination shall be automatically suspended, and will not be readmitted except by special action of the faculty.

Students are held responsible for attendance and prepared recitation at all meetings of their classes. No excuses for absences are accepted and no indulgence therefor will be granted in examining and grading a student.

Regularity of attendance and the quality of classroom recitation will be considered with the student's final examination paper in determining his grade on each course, but any instructor may strike from the roll of his class at any time the name of any student who, in his opinion, is failing to demonstrate a satisfactory degree of interest, ability, and industry in his work in that course.

Under no circumstances will an instructor permit a student to take the final examination in a course if his record shows absences exceeding three in a one hour course, five in a two-hour course, seven in a threehour course, eight in a four-hour course, or ten in a six-hour course.

The faculty reserves the right by special action to separate a student from the School at any time.

HONOR SYSTEM

All work will be done under the Honor System which is administered, under a Code of Ethics, by the Student Bar Association. All students, upon matriculation, become members of the Student Bar Association.

EXAMINATIONS

Unless announced otherwise by the instructor, the period for an examination will be six hours in six semester-hour courses, four hours

in four semester-hour courses, three and one-half hours in three semester-hour courses, and three hours in two semester-hour courses.

A student who finds that he will be unavoidably prevented from taking an examination at the time scheduled, may, if he communicates such fact to the Dean on or before the morning of such examination, receive permission to take an examination at a later date, otherwise the instructor will not be required to grade or justified in grading a paper if submitted.

In exceptional cases students may be permitted by the Dean to take an examination *in absentia* under such conditions as he may deem proper.

Failure to take an examination given in a course for which the student has registered, unless excused by the Dean, will be recorded as "Incomplete" and treated as a "Failure." No student will be permitted to resign from a course without the consent of the Dean, and then only for an adequate reason.

RE-EXAMINATIONS

A student receiving a grade of "F" (i.e. below 50) in any course will be required to repeat class attendance in such course as a prerequisite to taking another examination therein.

A student receiving a grade of "E" in any course (i. e. 50 to 59) may take the next regular examination in that course without repeating class attendance. The grade received on the re-examination will be substituted for the former grade whether it be higher or lower. Only one such re-examination may be taken without repeating class attendance.

A student receiving a grade of "D" (i. e. 60 or 61) in any course may take the next regular examination in such course for the purpose of raising such grade without repeating class attendance therein. If the grade on such re-examination be 62 or higher, a grade of exactly 62 shall be substituted for the original grade; if the grade be lower than 62, the original grade shall remain unaltered. Only one such re-examination may be taken in any course without repeating class attendance therein.

Williams Law Scholarships are offered to students of unusual ability. For the 1962-63 session the following are available to students eligible for admission to the Law School: (1) Two 3-year scholarships of \$2,000 each, paying \$1,000 the first year and \$500 each of the two succeeding years.
