Director's Message

As you all prepare for Spring Break, we take this time to wish you well in your studies, hoping that you find time to enjoy a few days with no classes. For those who stay in the Richmond area, we offer a list of destinations and events to enjoy our city. Before you get back to classwork, we ask all students to respond to our Bi-Annual Library, Technology, and Communications Survey. Look for an invitation sent to your Richmond email address. We want your feedback on our services, resources, and communication channels. This survey is a perfect opportunity for us to hear your views and ideas. We consider all feedback in what we do, and we welcome all critical and constructive comments.
