## Director's Message

From now until the end of the exam period, the library will be open longer hours every weekend. We're also going to stay open both weekends during the reading period and exams. We're doing this in direct response to student requests. You wanted more hours for focused study, and we're happy to make this happen. We continue to offer seats at

carrels and tables where you can reserve a space to study. Also, if you need a locker to store books or supplies through the end of the term, let us know. Check out this month's newsletter for updates on new books in our collection and a look into forthcoming resources to support you. If and when we can help, please let us know.

- Roger Skalbeck, Associate Dean
