Gone to Carolina in my mind (and body)...

There is only one place to sit.
It is a plaid chair

There is only one place to sit.

There is only one place to sit.
It is a plaid striped chair.

We take turns.
The other seats have been comprimized in a tragic dog incident.
The place may also be haunted. The TV turns itself off when
no one is in the room.
To entertain ourselves ██████████

We watch our ██████████ one and only station all day and learn some spanish.

But things may improve.
Soon there will be someone to ██████████ entertain us.
And people seem to want to visit.
And maybe we ██████████ will buy a pot to boil the pasta.
