green day // Esther Outlaw

“wake me up when September ends..”

what was that?

it's December, you say?

dangerously high degree days, welcome to global
warming.

it's raining.

the nice noises fill my head as I fill my lungs with
nicotine.

oh, wondrous life. wonderful wondrous wandering
life.

happy birthday, motherfucker.

cream cheese, spread too thick for anyone's taste
but mine.

poppy seeds, onion, salty salt.

“i hope you had the time of your life”
