## WHEEL AWAY FROM MY SIGH

450 SL Mercedes-Benz shining black  
guided by a blonde rouge slim golden  
earring on both precious lobes  
epitome of drinking a light beer and refusing  
to be held tight because you're not an  
untouchable you don't wear  
fashionable black you're not  
fashionably thin your mind  
is always full of studious synopses  
forgetting about the terrifying mud that  
sneaks  
up and under your rims and  
stains  
you and your whiteness  
snaps  
your head back to reality  
makes  
you cry inwardly as she  
wheels infinitely away from your  
sigh

sigh
