## German Articles

Das, Die oder Der  
To try and guess, I would not dare.  
But in my state of near confusion,  
A vision comes, a mere illusion.  
Das is Der und Der is die,  
for what else could it ever be?  
Or was I crazy as I was crammin',  
But is Das Der und die zusammen?  
No matter if Das is Der or Der ist Das,  
I still must decide on was ist was.  
My professor comes, my time is nigh,  
He can see it in my eye.  
So, as he stands before my row,  
I do "eenie, meenie, mynie, moe."
